

The book makes it clear that many new developments are on the horizon. Among topics to be explored are evidence-based clinical guidelines for fetal medicine, legal aspects of maternal-fetal medicine, immunization of the fetus with maternal proteins, and the interesting question of whether retained maternal cells cause disease in the fetus or during adulthood. There will also be an increasing number of problems caused by drugs and alternative medicine. The evaluation of fetal movement has just begun, norms are just being established, and the essential nature of fetal movement with respect to normal development is beginning to be appreciated.

*Fetal Medicine* is a must for anybody working in the field. It is particularly appropriate for fellows and residents in maternal-fetal medicine and neonatology as a general reference that provides an overview of a very complex field. This is a welcome book at a critical time in the development of the field. The editors suggest that it took 10 years of enormous effort to pull it together. That effort was certainly worth it.

## NOTICES

*Notices submitted for publication should contain a mailing address and phone number of a contact person or department. We regret we are unable to publish all notices received. Notices also appear on the Journal's Web site (<http://www.nejm.org/general/text/notices.htm>). The listings can be viewed in their entirety or searched by location, month, or key word.*

### HARVARD MEDICAL SCHOOL

A course, entitled "The X and Y: Current Topics in Gender-Specific Medicine," will be held in Cambridge, Mass., April 6 and 7.

**Contact** Harvard Medical School, CME, P.O. Box 825, Boston, MA 02117-0825; or call (617) 432-1525; or fax (617) 432-1562; or e-mail [hms-cme@hms.harvard.edu](mailto:hms-cme@hms.harvard.edu); or see <http://www.cme.hms.harvard.edu>.

### FULMINANT HEPATIC FAILURE

The "Trey Memorial Symposium" will be held in Boston on March 31. The program is jointly sponsored by the New England Chapter of the American Liver Foundation and Tufts University School of Medicine.

**Contact** ALF, 88 Winchester St., Newton, MA 02461; or call (800) 298-6766 (natl.) or (617) 527-5600 (Mass.); or e-mail [aradam@liverfoundation-ne.org](mailto:aradam@liverfoundation-ne.org).

### AMERICAN SOCIETY FOR GASTROINTESTINAL ENDOSCOPY

The "Annual Postgraduate Course," entitled "Endoscopy in Context: A Multidisciplinary Approach," will be offered in Atlanta, May 24 and 25.

**Contact** ASGE, 13 Elm St., Manchester, MA 01944; or call (978) 526-8330; or e-mail [asge@shore.net](mailto:asge@shore.net).

### SKIN THERAPY UPDATE 2001

The conference will be held in Singapore, May 24-27.

**Contact** Alice Chew, Natl. Skin Centre, 1 Mandalay Rd., Singapore 308205; or call (65) 350-8405; or e-mail [alicechew@nsc.gov.sg](mailto:alicechew@nsc.gov.sg); or fax (65) 253-3225.

### WOMEN'S HEALTH AND GENDER-BASED MEDICINE

The "Ninth Annual Congress" will be held in Washington, D.C., June 2-5.

**Contact** BioConferences Intl., 2 Madison Ave., Larchmont, NY 10538; or call (800) 524-6266 (natl.) or (914) 834-3100 (N.Y.); or fax (914) 834-4329; or e-mail [hmatysko@liebertpub.com](mailto:hmatysko@liebertpub.com); or see [www.bioconferences.com](http://www.bioconferences.com).

### CENTER FOR PUBLIC HEALTH EDUCATION AND OUTREACH

The following courses will be offered in Minneapolis: "Safety and Health Training for Hazardous Waste Site Personnel — 24/40 Hour" (June 11-15, Sept. 10-14); "Understanding the Family Medical Leave Act" (June 12); and "First-on-the-Scene Awareness Training" (June 27).

**Contact** Chris Western, Ctr. for Public Health Educ. and Outreach, Suite 350, Univ. of Minnesota School of Public Health, 2221 University Ave. SE, Minneapolis, MN 55414; or call (612) 626-4515; or fax (612) 626-4525; or see <http://www.umn.edu/mcohs>.

### UNIVERSITY OF MARYLAND SCHOOL OF MEDICINE

The following courses will be offered: "Update in Internal Medicine" (Baltimore, June 17-21) and "27th Annual Family Medicine Review Course" (Ocean City, Md., June 24-29).

**Contact** Office of CME, Univ. of Maryland School of Med., 655 W. Baltimore St., Baltimore, MD 21201; or call (410) 706-3957; or e-mail [apusateri@som.umaryland.edu](mailto:apusateri@som.umaryland.edu).

### NEW ENGLAND EDUCATIONAL INSTITUTE

The following courses will be offered during the "18th Annual Summer Symposia" in Eastham, Mass.: "Severe Clinical Syndromes and Personality Disorders: Personality-Guided Synergistic Therapy" (June 18-22); "Difficult Adolescents & Their Families: A New Approach to Discovering Strengths and Developing Solutions" (June 18-22); "Masterful Coaching" (June 18-22); "ADHD and Connectedness" (June 25-29); "Facing Fears and Controlling Worry: Latest Theoretical and Empirical Developments for Treating Anxiety Disorders" (June 25-29); and "Advanced Dialectical Behavioral Therapy: Treating the Difficult-to-Manage Borderline Client" (June 25-29).

**Contact** Denise Rose, NEEI, 92 Elm St., Pittsfield, MA 01201; or call (413) 499-1489; or fax (413) 499-6584; or e-mail [educate@neeci.org](mailto:educate@neeci.org); or see <http://www.neeci.org>.

## CORRECTION

Case 23-2000: Osteomyelitis in HIV-Infected Patients (January 4, 2001; 344:66-7). On page 67, the legend for Figure 1 should have stated that the arrow in Panel B points to the left talus, not the left scaphoid bone, as printed.

Book Review of *PC, M.D.: How Political Correctness Is Corrupting Medicine* (February 8, 2001;344:462). Through an editing error, Dr. Fox's degree was given as M.D. rather than Ph.D. We regret the error.
