CORRECTIONS

A Comparison of Etanercept and Methotrexate in Patients with Early Rheumatoid Arthritis (November 30, 2000;343:1586-93). On page 1592, on lines 15 and 16 of the Appendix, it should have been stated that M. Miller is from Portland, *Maine*, not Portland, *Oregon*, as printed.

Hyperparathyroid and Hypoparathyroid Disorders (December 21, 2000; 343:1863-75). On page 1865, in Figure 2, the domain on the lower left-hand side of the figure should have been labeled "Primary hypoparathyroidism," not "Primary hyperparathyroidism," as printed. The corrected figure appears below.
