**CORRECTION**

Pure Red-Cell Aplasia and Recombinant Erythropoietin (May 16, 2002; 346:1584-6). On line 6 of the second paragraph of the response by Casadevall and Mayeux, the statement that “2 received Neorecormon exclusively” should have read “1 received Neorecormon exclusively, 1 received Eprex and Neorecormon during the months preceding the onset of anemia.”
