

CORRECTIONS

Clinical Features and Prognostic Factors in Adults with Bacterial Meningitis (October 28, 2004;351:1849-59). On page 1853, in the right-hand column, lines 5 through 8 of the second full paragraph should have read, "N. meningitidis was responsible for 37 percent of the episodes, with group B identified in 174 episodes, group C in 79, group Y in 3, and group W135 in 1," rather than, "with group B identified in 173 episodes, group C in 79, group Y in 3, group H in 1, and group W135 in 1," as printed.

Military Medical Ethics (January 20, 2005;352:312-4). On page 312, in the last paragraph in the right-hand column, lines 1 through 3 should have read, "public health physicians Victor W. Sidel and Barry Levy, former officers in the Public Health Service," rather than "former military medical officers," as printed.

Early Vascular Risk Factor Modification in Type 1 Diabetes (January 27, 2005;352:408-9). On page 409, lines 3 and 4 of the right-hand column should have read, "From the Divisions of Endocrinology and Metabolism (B.A.P.) and Neurology (V.B.)," rather than "Urology (V.B.)," as printed. We regret the error.

NOTICES

Notices submitted for publication should contain a mailing address and telephone number of a contact person or department. We regret that we are unable to publish all notices received. Notices also appear on the Journal's Web site (www.nejm.org/meetings). The listings can be viewed in their entirety or searched by location, month, or key word.
