CORRECTION

AMG 531, a Thrombopoiesis-Stimulating Protein, for Chronic ITP (October 19, 2006;355:1672-81). On page 1672, the ninth line of the Results section of the Abstract should have read “3, 6, and 10 μg of AMG 531 per kilogram,” rather than “3, 6, and 10 μg of AMG 531 per cubic millimeter,” as printed. The text has been corrected on the Journal’s Web site at www.nejm.org. We regret the error.

NOTICES

Notices submitted for publication should contain a mailing address and telephone number of a contact person or department. We regret that we are unable to publish all notices received. Notices also appear on the Journal’s Web site (www.nejm.org/meetings). The listings can be viewed in their entirety or searched by location, month, or key word.
