

## CORRECTIONS

Effects of Early, Abrupt Weaning on HIV-free Survival of Children in Zambia (July 10, 2008;359:130-41). In the Results section, in the third paragraph under HIV-free Survival at 24 Months (page 138), the second sentence should have ended with "(10.7% in the intervention group and 11.7% in the control group,  $P=0.71$ )" rather than "(0.7% in the intervention group and 11.7% in the control group,  $P=0.71$ )." We regret the error. The article has been corrected on the *Journal's* Web site at [www.nejm.org](http://www.nejm.org).

Toll-like Receptor 3 and Geographic Atrophy in Age-Related Macular Degeneration (October 2, 2008;359:1456-63). The reference list was inadvertently altered during the final processing of the file before publication. We regret the error. The corrected reference list is available with the article on the *Journal's* Web site at [www.nejm.org](http://www.nejm.org).

Case 20-2008: A 57-Year-Old Woman with Abdominal Pain and Weakness after Gastric Bypass Surgery (June 26, 2008;358:2813-25). An additional correction is described in the Correspondence section of this issue of the *Journal* (Case 20-2008: Abdominal Pain and Weakness after Gastric Bypass Surgery [October 23, 2008;359:1850-2]).

## NOTICES

*Notices submitted for publication should contain a mailing address and telephone number of a contact person or department. We regret that we are unable to publish all notices received. Notices also appear on the Journal's Web site ([www.nejm.org/meetings](http://www.nejm.org/meetings)). The listings can be viewed in their entirety or searched by location, month, or key word.*

## AMERICAN BOARD OF PEDIATRICS
